“The purpose of the Personal Responsibility Education Program (PREP) questionnaires is to determine how well sexual education works and to meet the conditions of federal grant funding to the State of Connecticut.”

“This is not a test of you or of this school. There are **no right or wrong** answers. Your answer to a question is correct if it is true for you.”

# Administering PREP Entry & Exit Questionnaires

“It is really important that you answer based on what you **really** believe and do. Don’t answer based on what you think someone wants you to say.”

“Completed questionnaires will be processed by the DPH evaluation team. Results will be reported in the aggregate—this means that results will be reported as averages for students from more than 20 different schools. Your individual answers will never be released to anyone.”
